Section 2. Imposition of Tax.

- b. “Open Space Municipal Resident Tax. In addition to the Tax levied for general revenue purposes, the Taxing Authority hereby imposes a Tax for expenses related to open space lands under 32 P.S. § 5007.1 at the rate of zero percent (0%) on earned income and net profits of individual residents of the Taxing Authority. This tax for open space lands was previously authorized by voter referendum.”]

“General Purpose Municipal Nonresident Tax. The Taxing Authority also imposes a Tax for general revenue purposes at the rate of zero percent (0%) on earned income and net profits derived by an individual who is not a resident of the Taxing Authority from any work, business, profession, or activity, of any kind engaged in within the boundaries of the Taxing Authority.”

Ongoing Tax. The Tax shall continue at the above rates during the current Tax Year and each Tax Year thereafter, without annual re-enactment, until this Enactment is repealed or the rate is changed.

- c. Combined Tax Rate Applicable to Residents. Currently, the total rate applicable to residents of the Taxing Authority, including the tax imposed by the school district and municipality in which the individual resides, is a half percent (.5%).
- d. Municipal Tax Rate Applicable to Nonresidents. Currently, the total rate applicable to non-residents working within the Taxing Authority based on the municipal non-resident tax rate is zero percent (.0%).
- e. Local Tax Enabling Act Applicable. The Tax is imposed under authority of the Local Tax Enabling Act, and all provisions thereof that relate to a tax on earned income or net profits are incorporated into this Enactment. Any future amendments to the Local Tax Enabling Act that are required to be applied to a tax on earned income or net profits will automatically become part of this Enactment upon the effective date of such amendment, without the need for formal amendment of this Enactment, to the maximum extent allowed by 1 Pa.C.S.A. § 1937.
- f. Applicable Laws, Regulations, Policies, and Procedures. The Tax shall be collected and administered in accordance with: (1) all applicable laws and regulations; and (2) policies and procedures adopted by the TCC or by the Collector. This includes any regulations, policies, and procedures adopted in the future to the maximum extent allowed by 1 Pa.C.S.A. § 1937.

Section 3. Exemption from Tax – Individuals Under Age 16. This Governing Body finds that: (1) minors of various age groups have traditionally, and with judicial sanction, been considered as comprising separate classes for many legislative purposes; and (2) minors under the age of 16 are generally unemancipated and subject to compulsory school attendance and child labor laws, and therefore have limited earned income and net profits and control of money such that enforcement of reporting and collection of Tax hereunder against them would yield inconsequential amounts and be unduly difficult, expensive, and not in the public interest. For these reasons, individuals under the age of 16 years are exempt from liability for the Tax.

Section 3. No Exemption from Tax. Although credits and deductions against Tax are permitted under certain circumstances as provided in applicable law and regulations, no individuals are exempt from Tax based on age, income, or other factors

Section 4. Individual Tax Returns and Payments.

Every individual receiving earned income or earning net profits in any Tax Year shall file Tax Returns and pay Tax in accordance with the Local Tax Enabling Act.

Section 5. Employer Withholding, Remittance, and Tax Returns.

Every employer shall register, withhold, and remit Tax, and file Tax Returns in accordance with the Local Tax Enabling Act.

Section 6. Tax Collector.

The Tax will be collected from individuals and employers by the Collector.

Section 7. Interest, Penalties, Costs, and Fines.

Individuals and employers are subject to interest, penalties, costs, and fines in accordance with the Local Tax Enabling Act, including costs imposed by the Collector in accordance with authorization by the TCC having jurisdiction.

Section 8. Severability.

The provisions of this Enactment are severable and if any of its provisions are ruled by a court invalid or unconstitutional, such decision shall not affect or impair any of the remaining provisions of this Enactment. It is declared to be the intention of the Governing Body that this Enactment would have been adopted if such invalid or unconstitutional provision had not been included.

Section 9. Purpose/Repeal.

The primary purpose of this Enactment is to conform the earned income and net profits tax currently imposed to the Local Tax Enabling Act, as amended and restated by Act 32 of 2008, and to do so within the time frame required by Act 32. Any prior enactment or part of any prior enactment conflicting with the provisions of this Enactment is rescinded insofar as the conflict exists. To the extent the same as any enactment in force immediately prior to adoption of this Enactment, the provisions of this Enactment are intended as a continuation of such prior enactment and not as a new enactment. If this Enactment is declared invalid, any prior enactment levying a similar tax shall remain in full force and effect and shall not be affected in any manner by adoption of this Enactment. The provisions of this Enactment shall not affect any act done or liability incurred, nor shall such provisions affect any suit or prosecution pending or to be initiated to enforce any right or penalty or to punish offense under the authority of any enactment in force prior to adoption of this Enactment. Subject to the foregoing provisions of this Section, this Enactment shall supersede and repeal on the Effective Date any enactment levying a tax on earned income or net profits in force immediately prior to the Effective Date.

Section 10. Adoption.

This Enactment is adopted and enacted this 8th day of November, 2010.
